

# ROOFSPRINT

Art. no: 729810

This roof-mounted bike carrier is compatible with most standard aluminum roof bars, securely holding one bicycle in place. It features a single lock system that secures both the bike and the carrier, with hands-free mounting for effortless loading. The lightweight yet durable design ensures easy handling, while the versatile clamping arm allows installation on either side of the car roof. Pre-assembled for quick setup – no tools required. Designed for maximum safety and quality, meeting ISO 11154 standards.
